Overview

Arizona State University ranks 29 out of 261 schools in the 2027 College Free Speech Rankings with a score of 72 and a C- speech climate grade. ASU holds a “green light” Spotlight rating and has adopted the pro-free speech Chicago Statement.

ASU lands in the bottom 50 for “Openness,” meaning many contentious topics feel off-limits to students. Its “Administrative Support” rank also tumbled 107 places from last year, indicating reduced student trust in officials to defend speech. The data shows no top 50 strengths.

ASU should adopt an official commitment to institutional neutrality and respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university’s commitment to free speech and build community trust that the administration will defend expressive rights.
